Augusta Regional Airport Inclement Weather Public Advisory

Augusta, Georgia, October 8, 2018- Augusta Regional Airport (AGS) kindly asks that you assist us in notifying the public of flight cancelations and delays.

American Airlines has announced all commercial flights traveling through AGS scheduled for Thursday, October 11, 2018 have been canceled.

Delta Airlines has delayed early morning flights for Thursday, October 11, 2018. TSA will open the security checkpoint at 9:00 a.m. for screening operations. Delta is providing rescheduling for tomorrow's flights free of charge.

Please advise the public to call their Airline directly and check their apps. prior to traveling to the Airport. We encourage the public to check with their respective Airlines in regards to their scheduled flights the morning of Friday, October 12, 2018. Please see below for all contact information:

Delta: 1-800-221-1212
