Tim,

Please accept this as the request by the Augusta-Richmond County Coliseum authority for an allocation of \$25,000,000.00 in the next round of SPLOST funding.

The purpose of this request is to allow the Coliseum Authority to continue forward with its plan to build a new arena. These SPLOST dollars will be part of a larger package of funding for acquiring architectural drawings, building models, site preparation and building construction of the proposed new arena. In addition, a portion of these funds will go to capital projects to keep the current James Brown Arena viable until such time as the new arena is ready to open.

Please let me know if you need anything further or if there is anything additional I need to do.

Thanks,

Ed
