Project Name Augusta Roadway Safety and Street Lighting Improvements and Operation

I. PROJECT JUSTIFICATION:

A. Project Mission Statement / Goals & Objectives:

Project would implement safety improvements along Augusta roadways to enhance the safety and operations for all users including vehicles, bikes, and pedestrians. Within the current roadway lighting system there are breaks which results in dark areas along heavily travelled corridors. This project will improve affected roadway lighting and increase overall safety.

B. How will this project help meet the Public Safety, Basic Facilities / Infrastructure, and/or Quality of Life needs in Augusta Richmond County?

Improve safety through enhanced roadway lighting and improve operation and coordination of the signal system, which will reduce maintenance, travel time, and delays by the general public.

C. Why should this project be considered for SPLOST 8 type funding?

This project should be considered for SPLOST 8 funding to provide sufficient support for needed Roadway Safety and Street Lighting Improvements.

D. To meet the Project Goals & Objectives, when should this project be completed?

Spread over duration of the SPLOST.

E. Is this project recommended / included in any existing Augusta Richmond County Land Use Plan or Masterplan? If yes, please explain and provide necessary information.
