KATHERINE MASON
CIRCUIT PUBLIC DEFENDER

August 4, 2020

Our office is open with limited services during this COVID 19 Judicial Emergency. CDC recommends limiting in person contact. For clients with appointments, and for individuals who are applying for services, masks must be worn at all times. If you do not have a mask, one will be provided for you. You will be required to wash your hands upon entry into the lobby.

If you need to apply for services, please take an application from the new application box and complete it and place the application in the completed application box. A staff member will assist you once your application has been reviewed. You may also email an application to PDapplications@augustaga.gov or mail one to 902 Greene Street, Augusta, GA 30901.

If you are not applying for services or you are an existing client, please call and do not come to the office without an appointment. If you need to leave a message, state the name of the person you are calling about, the service you need and a good number or email address where we can return your call within the next 2 business days.

Please know we are working with our justice partners to address the needs of our incarcerated clients to help them be released from custody as soon as is practicable. Once released, those arrested after March 16, 2020 will need to call and update all personal and income information to qualify to continue as clients of the Office.
