

### Potential Candidates for 2022

Below is a list of candidates that have file a DOI, Declaration of Intent to Accept Campaign Contributions. Filing this form does not mean a person is an official candidate. Candidate status is achieved during the Qualifying period set for March 7-11, 2022. When qualifying for office a Notice of Candidacy is filed and a qualifying fee is paid. Until that time, no one is an official candidate. Individuals filing a DOI may chose not to qualifying during the qualifying period. The DOI simply means they have declared their INTENT to run.

Once the DOI is filed, potential candidates must file Campaign Contribution Disclosure Reports (CCDR). For copies of filed CCDRs visit the Easy Campaign Finance Portal at <https://richmondcountygaeasyvotecampaignfinance.com/home/publicfilings> and search under the individual's name.
