Groundbreaking ceremony for McBean Community Center's Splash Pad set for Oct. 8

AUGUSTA, GA (Oct. 5, 2021) – The City of Augusta will hold a groundbreaking ceremony for the construction of a splash pad at the McBean Community Center, 1155 Hephzibah- McBean Road. This event will be held at 11 a.m. on Friday, Oct. 8, and the public is invited.

“This splash pad coming to the McBean area is important, and it was an item voted on in the previous SPLOST packages. So, to see this come to fruition is important because we are providing access to recreational activities to our rural citizens,” said Commissioner Brandon Garrett. “This is just another way we can serve our community better.”

The City is investing \$119,000 for the splash pad set to be built by American Architectural Design Specialists d.b.a. Playground Creations. Media interested in covering this event should contact Danielle Harris at dharris@augustaga.gov or call 706-564-3460.
