MAYOR HARDIE DAVIS REMEMBERS AND HONORS THE LIFE OF STATE REPRESENTATIVE HENRY “WAYNE” HOWARD

AUGUSTA, GA. October 14, 2022– Today, the City of Augusta, the constituents of House District 124, and the state of Georgia mourn the loss of State Rep. Henry “Wayne” Howard.

Representative Howard was a true public servant, not just at the state level, but here at home in Augusta. Representative Howard was a true statesman, and a staple in our community.

“I had the privilege of serving in the legislature with Representative Howard as a part of the junior class of 2007.” said Mayor Hardie Davis, Jr. “We made a pact to work together and do the best for the citizens of Augusta, and that’s exactly what he did; everyday. Representative Howard was an example to many of us who came into politics, and offered himself to all.”

Representative Howard and his family are Augusta. Representative Howard stood up businesses, supported youth by starting a mentoring program, and alongside his family, was a part of the Parade of Quartets, the longest continuous running program in its category in the United States.

His legacy will continue on through the lives of everyone he has served in his multiple capacities. Our thoughts and prayers are with his wife Mrs. Cassandra Howard, the Howard family, and the beloved community, Augusta.
