Augusta Fire Department to host the Annual Georgia Fire Service Conference

AUGUSTA, GA. (March 3, 2023) – Georgia State Firefighters Association (GSFA) and Georgia Association of Fire Chiefs (GAFC) have joined forces with the Augusta Fire/EMA Department to host the annual Georgia Fire Service Conference. The event will be held August 7-13, 2023, at the Augusta Marriott and Convention Center.

Firefighters from all over Georgia and the Southeast region will be in attendance. The event will include classroom and hands-on training, business sessions for associations, a firefighter competition, and an awards reception.

“The Augusta Fire/EMA Department is ecstatic to be able to host the conference, and being selected to host this year is a demonstration of the hardworking men and women of the fire department and the great work being done,” said Augusta Fire Chief Antonio Burden. “This is a great benefit to Firefighters throughout Georgia, with significant economic impact for our great city.”

Training received during this conference will impact communities throughout Georgia. Media interested in this topic should contact Public Information Manager Danielle Harris at 706-312-5511.
