

Richmond County Board of Elections

Press Release

July 22, 2015 - Richmond County Board of Elections Conducts Hearings on Voter's Eligibility to Remain on List of Voters

In June 2013, the Board of Elections became aware of the planned demolition of the Greens on Savannah and Cherry Tree Crossing Apartments. Immediately, the Board began the process of identifying and notifying the residents of both apartment complexes to inform them of the need to update their voting address as they relocated from their current residence. At that time, there were a total of 820 voters registered collectively in the two complexes. Over the next two years, the Board with the assistance of the Augusta Housing Authority was successful in updating the addresses for 324 of the affected voters. The Greens on Savannah Apartments were demolished in July 2013 and the Cherry Tree Crossing Apartments were demolished beginning January 2014 with final demolition occurring in July 2014.

At its June 22, 2015 Regular Monthly Meeting, the Board of Elections challenged the eligibility of the 496 remaining voters right to remain on the list of voters and set hearings on the matter to be held on July 13, 2015. The voters were duly notified of the hearings and the hearings were held as scheduled. At the conclusion of the hearings, the Board unanimously voted to uphold the challenges issued to the 496 former residents of the Greens on Savannah and Cherry Tree Crossing Apartments based on the fact that the voters no longer met the eligibility requirements to remain on the list of voters because the addresses from which they were registered to vote were no longer valid residential addresses, as required by law. All affected voters will be sent a notice informing them of the Board's decisions, as required by law.

In a continuing effort to inform the affected voters, the Board will publish a list of the names of the voters who were removed from the voter's list as a result of the hearing on its Website at www.augustaga.gov/boe . The list may also be obtained by contacting the Board of Elections Office at 706-821-2340. Any person whose name was removed from the list of voters has the right to appeal to the Superior Court of Richmond County within 10 days of the date of the hearing and may re-register to vote at any time. The next upcoming voter registration deadline will be Monday, October 5, 2015.

The Board of Elections encourages any former resident of the Greens on Savannah Apartments or Cherry Tree Crossing Apartments to check their voter registration status or re-register to vote by either contacting the Board of Elections Office at 706-821-2340 or by using the Secretary of State's free mobile application called GA Votes or the online voter registration application found at www.ga.sos.gov .
