Chapter 1

ADULT ENTERTAINMENT*

Sec. 6-1-1. Findings; public purpose.

Based on the experience within Augusta, neighboring counties and in reliance on studies by the Cities of St. Marys, Georgia, Austin, Texas, Amarillo, Texas, Beaumont, Texas, Indianapolis, Indiana, Los Angeles, California, Phoenix, Arizona, St. Paul, Minnesota, Garden Grove, California, and Tucson, Arizona, which experiences and studies have been found by the Augusta-Richmond County Commission to be similar to the problems faced by Augusta, Georgia and in further reliance on federal case law reciting findings on the issue, the Commission takes note of the notorious and self-evident conditions attendant to the commercial exploitation of human sexuality, which do not vary greatly among generally comparable communities within the country. Moreover, it is the finding of the Commission that public nudity (either partial or total) under certain circumstances, and the display and sale of material distinguished or characterized by an emphasis on matter depicting, describing, or related to specified sexual activities or specific anatomical areas for observation and purchase by patrons therein, particularly in adult entertainment establishments, begets criminal behavior and tends to create undesirable community conditions. Among the acts of criminal behavior identified with public nudity, adult bookstores and adult entertainment establishments are disorderly conduct, prostitution, child molestation and drug trafficking and use. Among the undesirable community conditions identified with public nudity, adult bookstores and adult entertainment establishments are depression of property values in the surrounding neighborhood, increased expenditure for and allocation of law enforcement personnel to preserve law and order, increased burden on the judicial system as a consequence of the criminal behavior hereinabove described, and acceleration of community blight by the concentration of such establishments in particular areas, and the resultant difficulty in fostering economic and community development in the surrounding neighborhood. Therefore, the limitation of nude conduct in adult entertainment establishments and the regulation of adult entertainment establishments are in the public welfare and it is a matter of governmental interest and concern to prevent the occurrence of criminal behavior and undesirable community conditions normally associated with adult entertainment establishments.

The Augusta-Richmond County Commission hereby declares that the purpose of this Chapter is to regulate certain types of businesses including, but not limited to, adult entertainment establishments, to the end that the many types of criminal activities and undesirable community conditions frequently engendered by such businesses will be curtailed. However, it is recognized that such regulation cannot de facto approach prohibition. Otherwise, a protected form of expression would vanish. As to adult entertainment establishments, this Chapter represents a balancing of competing interests: reduced criminal activity and protection of the neighborhoods through the regulation of adult entertainment establishments and the protected rights of adult entertainment establishments and patrons.

(a) Findings; public purpose. Pursuant to the Constitutional Amendment, ratified on November 8, 1994, to Article III, Chapter VI of the Constitution of the State of Georgia, which amendment added a new Section VII to said article and delegated the State's power to regulate, restrict, or prohibit activities involving alcoholic beverages to the counties and municipalities of this State; and

In recognition and reliance upon those certain studies, by the City of Austin, Texas and the City of Dallas, Texas, of the effects of adult entertainment establishments in which alcohol is consumed on the premises, which studies show that such establishments engender crime and create undesirable community conditions in the area surrounding them and which studies have previously been considered by the Board of Commissioners of Richmond County;

It is hereby declared that the purpose of this section is to regulate certain types of businesses including, but not limited to, adult entertainment establishments, to the end that the many types of criminal activities and undesirable community conditions frequently engendered by such businesses will be curtailed. However, it is recognized that such regulation cannot de facto approach prohibition. Otherwise, a protected form of expression would vanish. As to adult dance establishments, this section represents a balancing of competing interests: reduced criminal activity and protection of the neighborhoods through the regulation of adult entertainment establishments and the protected rights of adult entertainment establishments and patrons.

(b) Sale or consumption of alcohol prohibited. No holder of a license or business tax certificate for an adult entertainment establishment shall serve, sell, distribute or suffer the consumption or possession of any alcoholic beverage or controlled substance upon the premises of the licensee or business tax certificate holder; provided, however, nothing herein contained shall affect any vested rights.

No arrangement whereby a wholesaler shall handle, clear or in any other way arrange to transfer for any licensed retail dealer or retail consumption dealer shall be permitted, and all sales by wholesalers to licensed retail dealers or retail consumption dealers shall be bona fide sales transactions from the wholesaler to the licensed retail dealer or retail consumption dealer. The making of any forbidden arrangements shall be cause for revocation of the licenses of all licensed wholesalers and retail dealers or retail consumption dealers involved.

Sec. 6-2-30. Solicitation of drinks.

No person while holding any license shall require, permit, suffer, encourage, or induce any employee or person other than the patron and guests of the patron, to solicit the purchase by the patron of any drink, whether alcoholic or non-alcoholic, or money with which to purchase the same; nor shall any licensee pay a commission or any other compensation to any person frequenting his establishment or to his agent or manager to solicit for herself, himself, or for others, the purchase by the patron of any drink, whether alcoholic or non-alcoholic.

Sec. 6-2-31. Consideration of goods bought or sold to be in cash; exceptions.

(a) The consideration for all alcoholic beverages sold by any licensee shall be cash only and the delivery and payment therefor shall be a simultaneous transaction within the licensed place of business. There shall be no maneuver, device or shifts, of any kind whereby credit is extended. The use of post-dated checks is prohibited.

(b) The use of a credit card for the purchase of alcohol beverages from a licensee shall not be prohibited provided such credit card represents an unqualified obligation to pay without recourse on the part of the person, institution or agency issuing such card. Hotels and motels licensed to sell beverage alcohol shall not be prohibited from billing guests of such hotel or motel for such beverage alcohol provided that payment is tendered at the time such guest leaves or checks out of such hotel or motel. The sale of beverage alcohol by bona fide private clubs and lodges wherein members pay all charges on a monthly basis shall not be prohibited provided the receivables from such transactions are promptly placed for collection consistent with sound business practices.

For purposes of administering and enforcing this Ordinance, any act committed by an employee, agent or representative of a licensee shall be deemed to be an act of such licensee.

(b) It shall be a violation of this Ordinance for any licensee to permit any person to engage in any activity on the premises for which the license is issued or within the place of business, which is in violation of the laws or regulations of any federal, state, county or municipal governing authority or regulatory agency. With respect to any such activity, it shall be rebuttably presumed that the same was done with the knowledge or consent of the licensee; provided however, that such presumption may be rebutted only by evidence which precludes every other reasonable hypothesis save that such licensee did not know, assist or aid in such occurrence, or in the exercise of full diligence could not have discovered or prevented such activity.

Sec. 6-2-33. Subterfuge.

Any act which may be construed as a subterfuge in an effort to circumvent any provision of
this Ordinance shall be deemed a violation of the section or subsection attempted to be circumvented.

All licenses granted hereunder shall be for the calendar year.

Sec. 6-2-69. Display of license required.

Every license issued under this Ordinance shall be kept prominently displayed by the holder thereof at his licensed place of business, and any alcoholic beverage kept, stored or found at said licensed place of business or at his warehouse shall be presumed to be his property.

Sec. 6-2-70. Licenses not transferable; exceptions; fee; new ownership.

(a) Generally. Licenses hereunder shall not be transferable, except as otherwise provided herein. Nothing in this section, however, shall prohibit one (1) or more partners of a partnership holding a license from withdrawing from the partnership in favor of one (1) or more of the partners who were partners at the time of the issuance of the license.

(b) Exceptions.

(1) Estate administration, etc. In case of the death of any person holding such a license, or any interest therein, the same may be transferred to the administrator, executor, or the lawful heirs of the deceased person, if otherwise qualified.

(2) Change of location. Should a transfer of a location be approved, there shall be no additional license fee, and the new location shall not be considered as a new license hereunder.

(3) Addition of partners or stockholders. A licensee may take in partners or additional stockholders where it is determined that the additional capital furnished is to be used exclusively for additional inventory or expending the facilities of the business, or for building a new facility, and, where it appears that the licensee himself receives directly none of the additional capital invested. Under this section an additional partner or new stockholder must be approved by the License & Inspection Department and the Richmond County Sheriff's Department.

Changes in license ownership from one (1) party at interest named in the original application to another party at interest as named in the original application, and changes of license from one (1) employer or manager to a successor employer or manager, shall not be deemed a transfer of license within the prohibition against transfer contained in these
regulations, so long as there is no change in the ownership or location. In each instance the Augusta-Richmond County Commission shall be advised in writing of such change and a complete disclosure of all facts in connection therewith shall be made at the time such request for change is presented. The Administrator shall have the authority to approve such a change of license. In the event that the Administrator denies such change of license, the applicant shall have the right within ten (10) days of such denial to appeal same to the Augusta-Richmond County Commission. (b) When the Sheriff recommends that an application to renew a license be denied, he shall provide the Director of License & Inspection with a written report describing the reason or reasons for the recommendation. The Director shall notify the Commission and shall serve written notice on the licensee at least five (5) days before the next scheduled meeting of the Commission. The notice shall state the reason(s) given by the Sheriff for his/her recommendation to deny the renewal of the license and the time and place of the next scheduled meeting of Commission.

(c) Commission shall receive evidence in the same manner described in section 6-2-74.

(d) At the conclusion of the evidence, the Commission shall consider the evidence and shall decide to grant or to deny the renewal of the license.

(e) If the application is denied, the Commission shall cause a written report to be prepared showing the reason or reasons for the denial. The Commission shall return the application showing its denial, together with the written report to the Director of License & Inspection who shall notify the applicant of the denial within five (5) days of the denial. Notice to the applicant shall be made in writing, showing the reason or reasons for the denial and the day and time of the next scheduled meeting of the Commission. (a) A license issued under this Ordinance expires on December 31 of the year in which issued, unless it expires or is revoked earlier pursuant to this section.

Any extension of time under this section shall be granted only by the Augusta-Richmond County Commission.

(d) Ceasing of operations. Any holder of a license hereunder who shall begin the operation of the business and sale of the product and products as authorized in the license, but who shall thereafter cease to operate the business and sale of the product or products authorized in the license for a period of at least nine (9) months, shall automatically forfeit his license, which license shall, by virtue of said failure to operate, be cancelled without the necessity of any further action. Any extension of time under this section shall be granted only by the Commission.

(c) Failure by the licensee, or any person in his employ or in the employ of the establishment for which the license was issued, to adequately supervise and monitor the conduct of the employees, patrons and others on the licensed premises, or on any property owned or leased by the licensee, including but not limited to parking lots and parking areas, or on any parking lots or areas which may be lawfully used by patrons of a licensed establishment, in order to protect the safety and well-being of the general public and of those using the premises.

The Director of License & Inspection shall notify the licensee, in writing, of the
time and place of the next meeting when such complaint shall be heard by the Commission or a committee thereof. Such Notice shall be deemed sufficient when mailed to licensee at the address of the location at least five (5) days prior to said hearing.

(b) The Commission or committee thereof shall hear the evidence offered by the complaining authority herein and the evidence offered by the licensee. The licensee may be represented by counsel, may offer testimony by witnesses or any other evidence and may question the witnesses of the complaining authority. At the close of the evidence, the Committee shall revoke, suspend or sustain the license, or place the licensee on probation.

(b) The distances provided for herein shall be measured in the same manner as provided in section 6-2-63(d) of this Ordinance.

Sec. 6-2-77. License for single event; occasional license.

(a) Application may be made for an occasional, single event license for on-premises consumption of alcoholic beverages as follows:

Advertising in the legal gazette shall be during the thirty-day period prior to the hearing of the application by the Commission. Before the application is presented to the Commission, the applicant shall furnish proof that the advertisement has been completed as required hereinabove. The above provisions regarding advertisement shall not apply to an application to sell alcoholic beverages in or on any museum, cultural center or facility, public park, playground, or building owned or operated by Augusta-Richmond County, Georgia Port Authority, or at a location on Riverwalk which has been designated as an Alcohol Beverage Location by Riverwalk Augusta, nor shall the above provisions regarding advertisement apply to events held by non-profit organizations.

(4) Form; information to be provided. Application for a single event license must be made in writing as provided in section 6-2-58 hereof; provided, however, that no plat shall be required, but the approximate distance of the premises for which the license is being applied from the nearest church, school, library, public recreation area or alcohol treatment center shall be stated on the application.

(Ord. No. 6341, § 2, 12-19-00)

(6) **Occasional, single event.** The event for which the occasional, single event license is sought may not exceed seven (7) calendar days in duration and the licensee shall not be eligible for an occasional event license more frequently than once every three (3) months, except in any area in which no advertisement is necessary pursuant to Section (a)(3) above.

(7) **Untrue or misleading information; material omissions.** Any untrue or misleading information contained in, or material omission left out of, an application for a license hereunder shall be cause for the denial of the license; and, if any license has been granted under such circumstances, the license shall be subject to revocation.

(8) **Grounds for denial.** In addition to the other grounds provided in this Ordinance for the denial of a license, an application for an occasional, single event license may be denied on one or more of the following grounds:

b. The number of anticipated attendants of the event renders the consumption of alcoholic beverages a danger to the safety of the public.

c. The proposed location for the event is in an area in which numerous incidents requiring police intervention occurred.

d. The applicant is not eligible for a license under this Ordinance pursuant to sections 6-2-61, 6-2-62 and/or 6-2-63.

e. There is evidence from this or other jurisdictions that the activities planned for the event would be in violation of state or county or city law, or, when combined with consumption of alcoholic beverages, may cause a danger to the safety of the attendants or the public.

(9) **Procedures.**

a. The Director of License & Inspection shall forward the application to the Recreation Department Director, if applicable, and then forward to the Richmond County Sheriff, who shall indicate his approval or disapproval of the application. The Sheriff may condition the approval of such application on the licensee’s providing a sufficient number of security personnel for the protection of the public during the event. If approved, the application shall be forwarded back to the License & Inspection Department for issuance of the Single Event License.

b. For such applications from applicants other than nonprofit organizations, the Director of License & Inspection shall thereafter submit the application of the Mayor of Augusta, together with a written report showing why the license should be granted or denied. The Mayor of Augusta shall consider the application and the report of the Sheriff and shall grant or deny the license. If the license is granted, the application shall be returned to the Director of License & Inspection showing that the license was granted. The Director of License & Inspection shall issue the license. The license shall be valid for the location, date(s) and time(s) specified therein only. The Mayor of Augusta may impose such additional restrictions and conditions on the license as deemed necessary for the safety of the attendants or the public.

c. If the Sheriff denies the application, he shall return the application to the Director of License & Inspection together with a report in writing showing the reason(s) for the denial. The Director of License & Inspection shall promptly notify the applicant in writing of the reason(s) for the denial.
(10) **Appeal.** An applicant may appeal the denial of a license under this subsection by filing written notice with the Augusta-Richmond County Commission Chief Administrative Officer within five (5) days of receiving notice of the denial. The Commission shall hear the evidence and make its determination at its next regularly scheduled meeting. Notice of the next scheduled meeting of the Commission shall be served on the applicant at least three (3) days prior to the meeting, unless the three-day period is waived by the applicant.

The Commission shall receive evidence in the manner provided in section 6-2-74 herein and shall decide to uphold or reverse the decision of the Chairman-Mayor of Augusta-Richmond County.

(c) Upon suspension, revocation or termination of an ambulance license hereunder, such ambulance shall cease operations as such and no person shall permit such ambulance to continue operations as such. Upon suspension, revocation or termination of a drivers, attendants or attendant-drivers license hereunder, such driver, attendant or attendant-driver shall cease to drive or attend an ambulance and no person shall employ or permit such individual to drive or attend an ambulance.
