The City of Augusta Housing & Community Development Department, in conjunction with local nonprofit and lending partners are providing this series of workshops just for City employees:

Workshops will cover information such as:

- ⇒ Provide an overview of homeownership. Explore the benefits and responsibilities of owning a home. We will look at renting vs buying and we will also discuss the specific steps to becoming a homeowner including understanding and protecting your credit, budgeting/saving and house affordability.
- ⇒ Understanding the mortgage loan process. Learn about the different types of loans that are available, the meaning of federal and state disclosures and what to do if your loan is denied. We will also explore grants and programs that are available.
- ⇒ Loan repayment options and terms. Learn the ins and outs of default (avoiding and remedying) on student loan debt.

Please be aware that:

- Seating is limited and available on a first come, first served basis.
- If registration is closed, that means that the workshop has reached full capacity. Please contact lturmon@augustaga.gov to be placed on the waiting list.
