PROGRAM GUIDELINES

1

Put yard waste in Kraft Bags, open top garbage cans or containers clearly marked "YARD WASTE"

2

Containers should be no larger than 32 gallons and no heavier than 50 lbs.

3

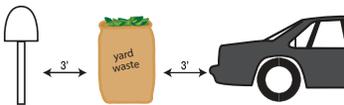

Materials must be able to be handled by human power.

4

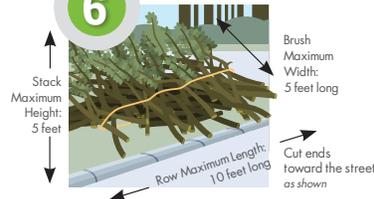

Bundles may be tied together with cut ends facing the street.

5

Place yard waste along the curb on your day of service and be sure to keep 3 ft. from your carts, mailbox, parked cars, fences, water meter, telephone connection box, etc. to prevent damage. Do not place under low hanging tree limbs or power lines.

6

Each pile should not exceed 5 ft. x 5 ft. x 10 ft. or 10 cubic yards.

Each customer is allowed 2 piles:
1 yard waste + 1 bulk waste

*Pile contents must be separated by type of waste and cannot exceed allotted amount per pile. **If the pile is larger, Augusta Solid Waste will collect for an additional fee.

HELPFUL REMINDERS

- Each pile of yard waste can be placed along the curb in a single row, no longer than 10 ft. Customers can have a maximum of (2) two piles of waste each measuring 10 cubic yards per service day: (1) one 10 cubic yards of yard waste and (1) one 10 cubic yards of bulk waste that will both be collected into the same truck.
- Bundles may be tied with string or twine into manageable bundles. No one single item over 5 feet long.
- Yard waste placed in plastic bags will be considered trash and will count as your extra garbage, or left uncollected. Augusta Solid Waste can collect for an additional fee.
- Do not block sidewalk or have items extend into the street.
- If yard waste has been tagged as out of compliance, customer should correct the pile by the next collection day or Augusta Solid Waste will collect for an additional fee.
